PRESENTED BY THE

WHAT AMERICA'S ANSWER MEANS TO YOU

YOU WANT TO KNOW HOW THE GOVERNMENT IS SPENDING YOUR MONEY IN ITS PROSECUTION OF THE GREAT WAR. YOU WANT TO KNOW JUST WHAT YOUR SOLDIER BOYS ARE DOING IN FRANCE?

America's Answer Tells You

This pictorialization of the greatest War Drama in all history has been made and is presented for public consideration, not to make money—although it must necessarily produce a revenue in order to meet the expenses involved—but in order to show the millions of contributors to the several Liberty Loans, the purchasers of Thrift and War Stamps, Tax-Payers, and those who have so generously given in other ways for the needs of the war, exactly what has been accomplished in France during the first year of America's participation in

The Struggle for Democracy

While showing the tremendous industrial activities of the United States in France, growing out of the colossal needs of the war, "America's Answer" also replies, in the thunderous roar of cannon and the driving force of America's soldiers, to the Kaiser's declaration that "America wouldn't fight." The answer has already reached the Hohenzollerns.

It is your duty, as well as your privilege, to see
