Comparing Perspectives

Respond to the following with bullet points.

My Experience	My Interviewee's Experience	Common Themes
<i>How did my routine change? What was my biggest challenge?</i>	<i>How did their routine change? What was their biggest challenge?</i>	<i>What feelings or experiences did we both share?</i>
<i>What was my most vivid memory?</i>	<i>What was their most vivid memory?</i>	<i>What lessons did we both learn?</i>

Respond to the following in a minimum of 3-4 complete sentences.

1. How did your interviewee's perspective differ from your own? Consider their age, role, or daily responsibilities during the pandemic.
2. Why might two people have different "histories" of the same event?
3. How does conducting this interview help us "do history" better than simply reading a textbook might?
